LOCAL LIBRARIES

There are 30 public libraries and 3 reading centers in Clinton, Essex and Franklin counties. Libraries offer free Internet access, books and a lot of information about education and jobs. Call the Clinton Essex Franklin Library System (CEFLS) for the name and hours of the library close to you.

(518) 563-5190

Or check out our website for more great information:

www.cefls.org

The Clinton-Essex-Franklin Library System began in 1954 by joint resolution of the Board of Supervisors of Clinton and Essex Counties. Franklin County joined the federation in 1962.

CEFLS shares resources with member libraries and helps libraries share with each other by providing weekly van deliveries. We also provide training and lead projects that benefit library users throughout the three counties.
